ESSAY COMPETITION

The Editors of Developmental Neurorehabilitation invite entries for a specially commissioned Essay Competition. The title is taken from William James, Talks to Teachers on Psychology:

“The great thing in all education is to make our nervous systems our ally instead of our enemy” ... (page 48, 1983).

All submissions will be reviewed by: Professor Jennifer Wishart of The University of Edinburgh, Dr. Rob Forsyth of The University of Newcastle upon Tyne and the editors. The winning entry, which will be announced at the WFNR 5th World Congress in Rio de Janeiro in September, 2008, will receive a prize of £200 and be published in Developmental Neurorehabilitation. Entries should be approximately 5,000 words long.

Please submit all entries by e-mail only, requesting a read receipt for confirmation:
